HIDDEN HEROES

1 Samuel 25:1-44

By Mike Sorenson

Introduction: The true heroes are not always who we expect them to be. We love the aggressive, powerful strongman who comes to save the day. He avenges wrongdoing and brings evil men to justice. But, when we focus on the wrong kind of hero, we fail to appreciate the heroic acts of courage and discernment that have shaped our own lives. On Mother's Day, as we appreciate the women who have impacted our lives, we will look at someone that doesn't often get named in the list of Biblical heroes. Abigail's story can get lost in the shadow of the David narrative, but her courage and self-sacrifice show the power of a godly character in a crisis.
