A HEART TRANSFORMED

Various Passages

By Garrett Vogele

Introduction: We have a clear understanding of what healthy hearts and bad hearts look like in our modern age. Heart disease affects many Americans, and we have developed ways to cope with those physical issues with our hearts. But our understanding of hearts is different than that of the Biblical writers, and what constitutes a good heart involves more than just physical symptoms.

1. **A Hard Heart** – Exodus 3:19-20

2. **A Circumcised Heart** – Deut. 10:12-16, 30:6-8

3. **Main Idea and Takeaways** – Romans 2:4-11
